

# Paper Collage Art Workshop With Local Artist

## Danielle Auriemma- D'Amico

Come warm up and unwind for 2.5 hours while your instructor, Danielle, provides you with everything you need to tap into your inner artist to create your own unique piece of art. Paper collage art consists of taking various mediums, magazines, tissue paper, etc.. to create a piece of art.

-No experience needed/all levels (Ages 16+)

-All materials included

-We will be recreating a Winter Scene by Edvard Munch, most famous for his work "The Scream" or another winter landscape. Students will learn more about this artist and other works that he created.

### About the Instructor:

Danielle earned her BFA from the School of Visual Arts and worked as a freelance artist before becoming the owner of Juxtapose Gallery.
